Integration Test (plugins)

Testing	Expected Result
Social Media Connection	Social media links connect to their designated pages to allow users to view them live.
Advertisement Submission	It brings up a page which allows users to submit their advertisement to our website by filling out requirements and hitting submit.
Click Payment	When the payment title is clicked it sends the users card information to the payment processor which then sends confirmation email to the user
Filter Options	Allows users to filter through the options of the website packages we have available by types of software, Hardware and development.

Test for Quiz

- Test 1: Click the quiz button
 - By clicking the button, you start the quiz
 - By selecting a multiple-choice option for the questions, you proceed to the next question
 - By clicking finish/exit, you leave the quiz and return to the website.
- Test 2: Click the replay button
 - By clicking the replay button, you will be brought back to the beginning of the quiz.
